

Barring and referrals

On 27 June we are hosted the second webinar, in partnership with the DBS. The webinar explored barring and an employer's legal duty to make referrals to the DBS.

QUESTIONS AND ANSWERS

Can I request/access the statistics for referrals made by my organisation? ie how many referrals have been made by my organisation to the DBS?

If an organisation would like this information they can request this via a Freedom of Information request and the DBS Legal team will explore whether this information can be provided.
