

Reward in the NHS

Conference and exhibition 2025
Thursday 27 February
King's House Conference Centre,
Manchester M1 7HB

Partnership, commercial and exhibition opportunities

Following the success of our 2023 event, NHS Employers is returning to King's House Conference Centre in central Manchester for its Reward in the NHS 2025 event.

The event will once again bring together NHS decision makers, budget holders and influencers to hear the latest thinking, share good practice and equip delegates with innovative and practical reward information to take back into their own organisations to help them build, enhance and communicate their total reward offer in the face of continued workforce challenges.

As well as a busy programme of keynotes and workshops, there will also be 2.5 hours of protected exhibition time. This is your chance to network with our delegates and demonstrate how your reward solutions can support them to recruit, retain and create a positive workplace culture.

Reward in the NHS will take place on Thursday 27 February 2025.

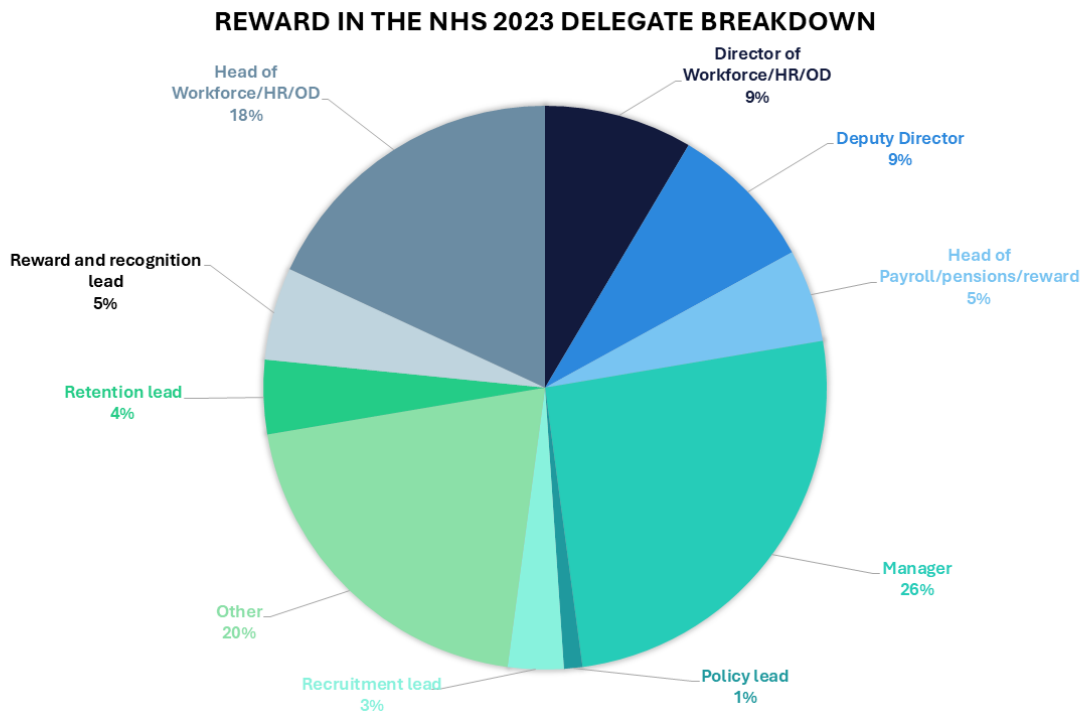

To find out more about the commercial opportunities available, contact **Henry Crawford of the commercial team** on **07483 073209** or email **supporters@nhsemployers.org**

I look forward to seeing you there.
